*Evolution in GI Surgery:  
Reaching across uncharted horizons*

### **Organising Secretary**

**Prof. Rajneesh Kumar Singh**  
Department of Surgical Gastroenterology, SGPGI, Lucknow

### **Organised By**

Department of Surgical Gastroenterology,  
SGPGI, Lucknow

*Lucknow*

THE CITY OF NAWABS

# WELCOME MESSAGE

## **Prof. Rajneesh Kumar Singh**

Department of Surgical Gastroenterology,  
SGPGI, Lucknow

***“Evolution in GI Surgery: Reaching Across uncharted Horizons”***

***Dear Colleagues and Friends,***

*It is our proud privilege to welcome you to the IASGCON 2027 – **the 37<sup>th</sup> National Meeting of the Indian Association of Surgical Gastroenterology (IASG)**, being organized by the Dept of Surgical Gastroenterology, Sanjay Gandhi Post Graduate Institute of Medical Sciences (SGPGIMS), Lucknow, from **21st - 24th Oct 2027**.*

*After nearly two decades, we are delighted to bring the IASGCON back to Lucknow to one of the largest and most distinguished departments of surgical gastroenterology in the country.*

*IASGCON 2027 promises to be an academic feast with a difference. The scientific program is dedicated to the theme of reaching across the less emphasized domains of GI Surgery, through state-of-the-art lectures, orations by legends, workshops, panel discussions, and much more.*

*We intend to explore GI Surgery beyond the conventional - including complex abdominal wall reconstruction (AWR) for the GI surgeon, Robotics for the young surgeons, video and image editing workshop, financial planning and literacy sessions, and other practical skills that can contribute to a more complete GI surgical career.*

*Beyond this academic feast we invite you to discover the timeless charm of Lucknow – the city of Nawabs, to taste the Awadhi culture, explore the Imam Bara, go Chikankari shopping and feast on the Tunde kebabs. Then there is the rest of the state of Uttar Pradesh to explore - Ram Nagari, Ayodhya; moksha Nagari Kashi; city of the Taj, Agra; the abode of Krishna, Mathura and more.*

*We'll be happy to help you plan your travel to enable you and your families to experience the rich cultural and spiritual heritage of Uttar Pradesh.*

*The team of IASGCON 2027 is looking forward to welcome you to an inspiring celebration of science, learning, friendship and the spirit of surgical excellence, that is quintessential Lucknow.*

***Mark your calendars and join us in Lucknow from 21st - 24th Oct, 2027***

## Prof. Puneet Dhar

President, IASG

Department of Surgical Gastroenterology.

Amrita Institute of Medical Sciences Hospital, Faridabad

**Dear Colleagues and Friends,**

*It is both an honour and a profound responsibility to assume the mantle of President of the Indian Association of Surgical Gastroenterology, IASG, for 2026–27 at the IASGCON 2026, Bhubaneswar.*

*A year later we propose to reconvene at IASGCON 2027 at SGPGI, Lucknow, which has been a Mecca of Surgical Gastroenterology for decades.*

*The theme for IASGCON 27 is "Evolution in GI Surgery: Reaching Across uncharted Horizons", as we acknowledge that in an era of countless conferences, many topics have been discussed to exhaustion. This meeting, is committed to moving beyond the familiar and deliberately explore unconventional territories—robotic and AI-enabled surgery, metabolic and transplant immunology, surgical oncology in the age of precision medicine, global disparities in GI care, and the often-neglected humanistic dimensions of our practice. The goal is to spark original thought, foster innovation, and ensure that every advance we champion translates into tangible improvements for our patients.*

*I invite your active participation, bold ideas, and shared vision as we redefine the horizons of surgical gastroenterology in India and beyond.*

## Prof. Sujoy Pal

Secretary, IASG

Department of Gastrointestinal Surgery and Liver Transplantation,

AIIMS, New Delhi, India

**Dear Friends,**

**On behalf of the IASG Executive Committee, I'm happy to announce the 37<sup>th</sup> IASGCON 2027, our national meeting, to be organized by the Dept of Surgical Gastroenterology, Sanjay Gandhi Post Graduate Institute of Medical Sciences (SGPGIMS), Lucknow, from 21<sup>st</sup> - 24<sup>th</sup> Oct 2027 at the state-of-the art Convention Centre, SGPGIMS, Lucknow.**

*IASGCON is our annual national meeting that gets together GI surgeons from all over the country. The endeavour is to provide meaningful education in fields of Upper GI, Colo-rectal, HPB surgery and Transplantation.*

*The theme of IASGCON 2027 is – 'Evolution in GI Surgery: Reaching across uncharted Horizons'. The program will explore beyond the traditional GI Surgery, to include off-beat topics and other practical skills that are quite relevant to a fulfilling GI surgical career.*

*In addition, the organizing team has invited the attendees to explore Awadh beyond the academic program, including gastronomic feasts, cultural stimulation, etc facilitated by their team.*

*I humbly request you all to mark your calendar in advance so as to not miss this socio-academic fiesta. The IASGCON 2027 team is putting their best efforts into creating excellent scientific, research, cultural and social events. We will keep you updated and the detailed program will be circulated shortly.*

**The organizing committee has put forth lucrative offers for members and GI Surgery aspirants opting for very early registration – the First-comer rates and the Reveille rates**

*For detailed queries regarding scheduling, abstract guidelines, or administrative support, please connect with the Secretariat ([iasgsecy@gmail.com](mailto:iasgsecy@gmail.com)) or check the IASG website ([iasgindia.com](http://iasgindia.com)).*

# CONFERENCE

## HIGHLIGHTS

**AWR for the GI Surgeons**

**AI in GI Surgery: The gain and the loss**

**Robotic GI Surgery: Learning made simple**

**Fluorescence image guided surgery**

**Peritoneal surface carcinomatosis**

**Functional liver assessment**

**Bariatric surgery specialty – Is this the end**

**Career after specialization**

# OTHER HIGHLIGHTS

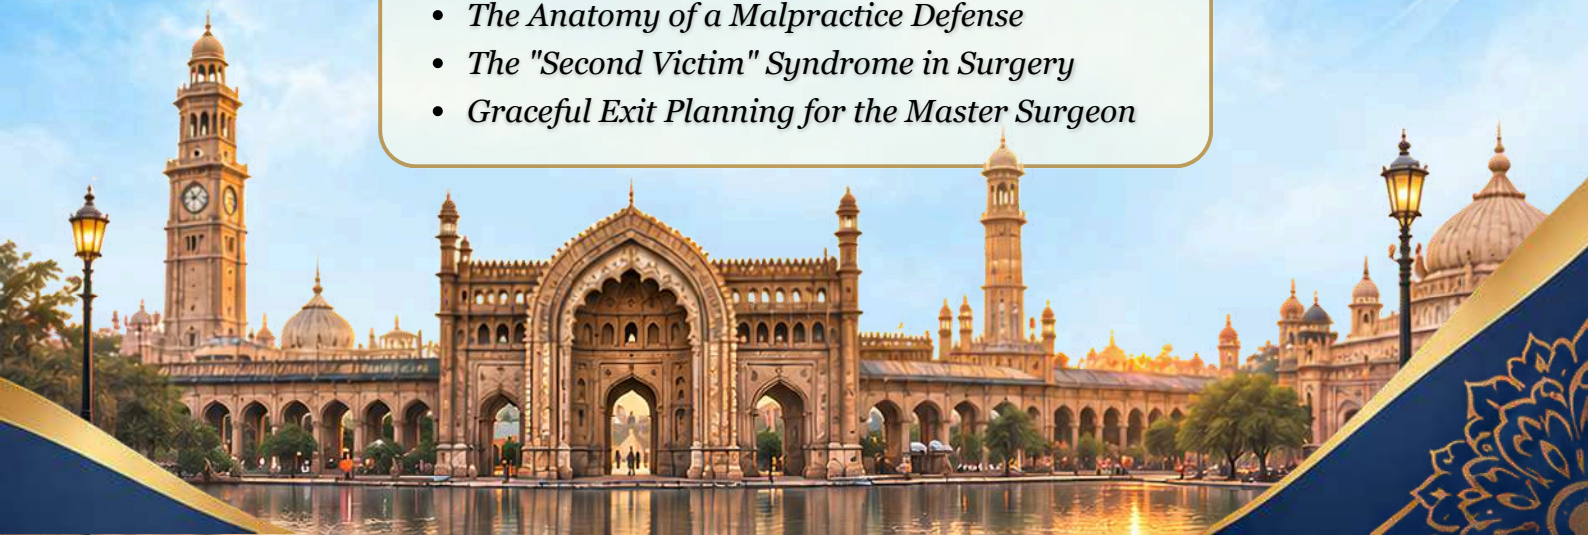

## MINI-SYMPOSIA

- *AWR for the GI Surgeons*
- *IBD and biologicals*
- *Chronic pancreatitis – the debates*
- *Infected pancreatic necrosis*
- *Colo-rectal liver metastasis*
- *Peritoneal surface metastasis*
- *Genetics for the GI surgeon*
- *Hemostasis and surgery*
- *Watch-and-Wait in GI Oncology: The much-needed discussion*
- *Pancreatic anomalies and Pancreaticoduodenectomy*
- *AI-Guided Real-Time Fluorescent Angiography*
- *Catastrophic Anastomotic Leaks*
- *'No touch' surgery in Oncology*
- *After Bariatric surgery – How, why, what*
- *Justifying Robotic GI Surgery: Cost-Utility Analytics*
- *When not to operate: lessons for the younger generation*
- *Portal cavernoma and Pancreaticoduodenectomy*
- *PNET with metastasis*

## ON DEMAND SESSIONS... AND MORE

- *Video and Image editing for the surgeons*
- *Robotics - hands on for the young surgeons*
- *Financial literacy for the GI Surgeon*
- *Seeking Work - Life balance for surgeons*
- *Third space interventions for the surgeons*
- *Vascular/ Stapling/ Energy devices workshop*
- *Perioperative analgesia for the surgeons*
- *Immunosuppression made easy*
- *How Doctors Die – Reflections on getting comfortable with death*
- *Ergonomics of the OR - The lost learning*
- *The Anatomy of a Malpractice Defense*
- *The "Second Victim" Syndrome in Surgery*
- *Graceful Exit Planning for the Master Surgeon*
